SPEAKERS

Prof. Harold Slavkin

Harold C. Slavkin, D.D.S., one of the world's leading authorities on craniofacial development and genetic birth defects, began his tenure as dean of the University of Southern California School of Dentistry in August 2000. As dean, he holds the school's G. Donald and Marian James Montgomery Dean's Chair in Dentistry.

Topic: Future of Clinical Dentistry

Prof. Laura M. Díaz Guzmán

Professor and Head, Department of Diagnosis and Oral Medicine, DeLaSalle University School of Dentistry, Bajío, Leon, Mexico. Dr. Diaz Guzman is National Executive Secretary of the Mexican Dental Association, Past-President of Leon Dental Association and member of the International College of Dentists. She has authored and co-authored more than 30 publications in national and international dental journals as well as the textbook "Medicine in Dentistry, Dental Healing of Patients with Systemic Diseases".

Topic: Dental Management of the Pregnant

Prof. Robert Keim

Director of Advanced Specialty Programs and Associate Dean for Advanced Studies, USC School of Dentistry. Dr. Keim is currently the editor of The Journal of Clinical Orthodontics. He holds a bachelors degree in Biology and Chemistry from the University of New Mexico, a DDS from Marquette University, Wisconsin, a specialty certificate in Orthodontics from the Eastman Dental Center of the University of Rochester, New York, and a PhD in Education from the University of Memphis, Tennessee. Dr. Keim is also an Associate Professor of educational psychology and research at USC's Rossier Graduate School of Education.

Topic: Beauty: Considerations on the Social Psychology of Facial Attractiveness

Prof. Luis Carbajal Bello

Professor and Head, Department of Oral and Maxillofacial Surgery, DeLaSalle University School of Dentistry, Bajío, Leon, Mexico. Dr. Carbajal Bello is also Head of the TMJ and Facial Pain Clinic at the same university. He is a Visiting Professor of Oral and Maxillofacial Surgery at the General Hospital in Toluca, Mexico. He is Founder and Past-President of the Association of Oral and Maxillofacial Surgeons in Guanajuato, Mexico.

Topic: Protocols for Diagnosis and Treatment of TMJ Dysfunction Diseases

Prof. Ilan Rotstein

Associate Professor of Endodontics and Chair, Division of Surgical, Therapeutic and Bioengineering Sciences and Associate Dean for Continuing Oral Health Professional Education at the University of Southern California, Los Angeles, California. Dr. Rotstein is Chair of the Research Committee of the International Federation of Endodontic

Associations and a member of the Research and Scientific Affairs Committee of the American Association of Endodontists. Dr. Rotstein has published over 100 scientific articles and research abstracts in the dental literature as well as chapters in international endodontic textbooks.

Topic: The Endodontic-Periodontal Continuum

Prof. Mauricio González Del Castillo Silva

Professor Founder and Director, Advance Program in Endodontics, DeLaSalle University School of Dentistry, Bajío, Leon, Mexico. Dr. Gonzalez del Castillo is Founder and Past-President of the Guanajuato Association of Endodontics, Past-President of the Leon Dental Association and Member of the International College of Dentists.

Topic: Root Canal Treatment vs. Implants, the New Frontier in Dentistry

Prof. David Jaramillo

Assistant Professor of Clinical Endodontics at the USC School of Dentistry and Clinical Assistant Professor at the Loma Linda University. Dr. Jaramillo received his dental degree from Universidad Autonoma de Guadalajara in 1986 and his Endodontic degree in 1990. Since then he has been maintaining a private practice

limited to Endodontics. Dr. Jaramillo was Professor of Dental Pain and Head of the Department of Endodontics at Universidad Latina de Mexico between 1996 and 2004. He was former Associate Professor of the Endodontic Advanced Program at Universidad DeLaSalle, Bajío between 2001 and 2004.

Topic: The Use of Magnification in Dentistry

Prof. Marco Antonio Torres Hurtado

Professor and Director, Advance Program in Prosthodontics & Implantology, DeLaSalle University School of Dentistry, Bajío, Leon, Mexico. Dr. Torres Hurtado is Member of the American Prosthodontic Society, Mexican Dental Association and the Leon Dental Association. Has lectured and published in many

national meetings.

Topic: Failures and Clinical Aspects for the Use of Porcelain Veneers
